<p>Business and Related Skills and Experience</p>	<p>Since 1997 I have been co-ordinating and training coaching courses and running my own equestrian centre full time. We provide training & agistment for a wide variety of horses & riders and currently employ one working pupil per 12 months plus 1 casual stable hand. My first Level 1 course was run in 1997 and was the first of its kind. I wrote the entire course plan which took the candidate from the very beginning with a Train the Trainer course, through all the riding skills, stable management & coaching and finished with a mock exam and covered every aspect of the syllabus and all tasks were covered extensively. The course was fully documented, and candidates provided with a detailed timetable that outlined the curriculum for the ensuing 9 months duration plus regular feedback reports. I originally employed Level 3 specialist coaches to conduct the training before taking over some of the role myself when I became a Coach Educator.</p>

Coach Training & Education	<p>I am a current EA (previously NCAS) Level One Dressage and Level One Show Horse coach. I also hold a Diploma of Teaching (K-10) and have worked in a variety of educational roles. I have been a leading teacher in a youth detention environment and also worked in other unusual teaching positions.</p> <p>I have worked more recently as an independent riding coach but have had experience in riding school environments.</p> <p>Currently I teach regularly at my sons Pony Club and am involved in some event organisation in our region.</p>
“Sport Governance” Skills and Experience	<p>I was the founding president of the Tuggeranong Adult Riding club which is now in it's 20th year. I have also held the position of Treasurer and event organiser in this club and have returned to the president role a couple of times.</p> <p>I have been involved with organising small shows, gymkhanas, dressage days and events with this club including the Versatile Horse of the Year competitions.</p> <p>I have held positions on the committee of Arabs Inc in ACT and Region and run dressage components of both Canberra Royal and National Capital Horse Show.</p> <p>Currently I am a member of the committee of Geary's Gap Pony Club and I am a committee member of the Zone 16 pony club committee.</p> <p>I am also the Zone 16 delegate in attendance for the ACT Equestrian Association. As delegate for the ACTEA for Tuggeranong Adult Riding Club I am familiar with this organisation.</p>
Sport Knowledge and Involvement	<p>As a well-known organiser of equestrian activities I also worked with vets, a small group of like-minded people and other equestrian leaders to organise the horse gear and equipment drive after the 2003 fires in Canberra. This involved liaising with other organisers across the country to assist those needing equine equipment.</p> <p>After the fires I applied for a grant for horse riders and arranged free coaching for people trying to return to the sport after being fire affected. This was a highly effective program and not only helped riders return to the sport they loved but kick started work for many coaches whose income was greatly damaged by the effect of fires.</p> <p>In 2009 I received a volunteer award from the ACT Equestrian Association in recognition for my work in various areas mentioned above.</p> <p>Personally I have competed in dressage and showing on several different horses including client's horses. I enjoy riding side-saddle and have been involved with strapping and riding endurance horses. I have also competed at lower level eventing and western pleasure as a young person.</p> <p>I have taken a pure Arabian Mare to the National Championships twice and competed an Andalusian at National level over several years.</p> <p>I have also competed at several Royal Canberra Shows and coached riders competing in various dressage and showing competitions.</p>

EQUESTRIAN NSW COACHING COMMITTEE NOMINATION RESUME KATE O'CONNOR

	I understand horse competition from a competitive, coaching and organising perspective	
Business and Related Skills and Experience	I currently run my own coaching business and travel to coach clients both at home and at various venues. I occasionally run clinics to help riders gain knowledge in a supportive group environment. I keep good records of my business. I have also worked as a purchasing officer for the Australian Crime Commission and have used my skills to manage projects related to IT purchasing and tenders in this environment.	
Other Relevant Information	I am a motivated coach with a variety of life skills that would be of benefit to the coaching programs within the EA. I feel my interpersonal skills and understanding of the sport as a whole would assist in planning and programming for the ongoing benefit of coaches and riders.	
How much time are you willing to dedicate to Committee duties? (e.g. Review of documentation for the Committee and the work that flows from it. Sue Birch will be the Committee Secretary and assist as required).		Approximately 3-4 hours/week.

Coach Training & Education	FELLOW of THE BRITISH HORSE SOCIETY (1972)	UK
	<i>This is the highest internationally recognised equestrian coaching level</i>	
	International Expert – International Group for Qualifications in Training Horse and Rider EA Level 3 Coach (1986)	
	Coach Educator/Assessor & Course Presenter of/for EA Coaching Accreditation Scheme Diploma of Training & Assessment Systems Workplace Trainer & Assessor Certificate IV	
	My first job with horses was as a trainee groom at the Heythrop Hunt Stables where in my second season I was promoted to Head Girl. This gave me very good experience in survival riding and hunting a variety of green horses as well as organising and maintaining staff standards.	
	After that I trained overseas as a dressage/haute ecole rider with Joszi Smaha-Vinicky, returning to UK in the early 60s to become Chief Instructor at Trentham Riding School – one of only three Centres in UK at that time with an indoor arena! Whilst there I introduced a) a working pupil scheme preparing students for BHS accreditation and a career with horses and b) ran regular indoor show-jumping competitions – both firsts at that time.	
	When I married 2 years later my husband and I developed and ran Shropshire Equestrian Centre, until 1985, where we trained riders from many parts of the world, preparing them for British Horse Society accreditation, competition riding, and for running their own Equestrian Centres; as well as developing their equestrian knowledge and riding ability, this training included people skills, management principles, short and long term planning, business and office skills, and many successful trainers and coaches ‘graduated’ from there; Richard Davidson, FBHS, Tim Downes, FBHS, William Blayne, FBHS, Islay Auty, FBHS, Odedde Shimoni, Dror Ben Shual, to name a few.	
	Under a further ‘hat’ our Equestrian Centre had a ‘team’ of Equestrian experts who were available for short and long periods, (up to 6 months) as advisers to established and/or planned Equestrian Centres and Riding Schools, internationally.	
	In the 60 plus years that I have been professionally involved in the equestrian industry I have been fortunate to have exposure to most forms of training and performance, including Trail-riding, flat and steeplechase racing, polo, fox and deer-hunting, dressage, Showing (ridden and In-hand), show-jumping, One and Three Day-Eventing, breeding, breaking and training young horses, re-training spoilt and problem horses – all of this has made me very aware of the need for the setting out and following of correct, appropriate and safe procedures in all aspects of the care and riding of horses.	
	As I have also spent most of this time training aspiring riders, coaches, teachers and horse handlers, I have written in depth and explicit Guidelines to cover as many aspects as I can for the multitude of possible scenarios.	
	As a Fellow of the British Horse Society, and an EA Level 3 Coach, I have been training grooms, horse handlers, Riding Teachers and Coaches for over 50 years, as well as teaching	

	<p>and coaching from beginners to successful Olympic riders in Dressage, Eventing and Show-jumping. As a rider, I have successfully performed in One and Three Day Eventing, Dressage, Showing, Show-Jumping and Point-to-Point racing. I also performed as an Haute Ecole rider for several years in Germany, Holland, Sweden, France and UK.</p>
<p>“Sport Governance” Skills and Experience</p>	<p>(Membership of committees, sub-committees, etc.)</p> <p>Member of Queensland State Coaching Committee from early days until I moved to NSW in 1991 – I was later asked to re-join that Committee until it was disbanded! Member of NSW State Coaching Committee sometime in the 90s but did not remain as, due to my many coaching commitments, I had problems attending meetings.</p> <p>Member of EA working party developing the Workbooks for Intro and Level 1 accreditation.</p> <p>Co-author with Sue Halden-Brown of 'Your Career in Coaching', the mandatory Study Guide (CBT) for all pre-Level 1 NCAS/EFA Equestrian coaches (now superceded)</p> <p>Writer/owner/Presenter of HSC Equine Studies Course (2 year NSW Board of Studies Endorsed Course) Author of Equine Studies Course Manual Author of Equine Studies Course Presenter's Manual Author of 'Dressage Arenas, The Riders Guide' Author of Coaching Principles – Equestrian Manual Co-author of 'Dressage Terms Defined' Co-author of 'Show-jumping Terms Defined'</p> <p><i>Historical data – non-current</i> <i>Chief Examiner - British Horse Society Panel of Examiners</i> <i>Chief Examiner / Consultant - Association of British Riding Schools</i> <i>British Horse Society Approved Schools Inspector</i> <i>Association of British Riding Schools Approved Schools Inspector</i> <i>Member of the National Riding & Road Safety Committee</i> <i>Chairman of the British Horse Society Shropshire County Committee</i> <i>Member of the British Horse Society English Committee</i> <i>Equestrian Adviser to Manpower Services Commission - Works Experience Scheme</i> <i>Equestrian Careers Adviser to West Midlands Employment Dept</i></p>
<p>Sport Knowledge and Involvement</p>	<p>(Achievements and standard as participant: rider, official, event manager/operative, volunteer at events or in projects, etc.)</p> <p>I have ridden most breeds of horses and competed in dressage (to Grand Prix), Eventing (to International 3 Day Events) Showing (to HOTYS in UK), plus Show jumping, Point-to-Point riding, hunting and both breaking in and re-training many horses.</p>

	<p>I have trained many riders to International level, Dressage and Eventing, both in UK and overseas – I travelled to Canada annually in the late 70s to work with their 3DE Event team, and I also coached their Junior National 3DE Trainer.</p> <p>As BHS County Chairman I coordinated many of the local competitions and other equestrian activities – my husband and I also sponsored XC fences at Shropshire One and Three Day Events. I have acted as a Steward and Fence judge many times.</p> <p>I did some dressage judging in UK, overseas and also in Australia, but decided to put my energy more into training people – I believe there are many good people out there judging.</p> <p>As there are few centres in Australia where students can spend a year or more training for their chosen career in horses, I decided 20 years ago to develop an Equine Studies Course to be delivered to students while still at school – this is NSW Board of Studies approved as an HSC Course and has been delivered in northern NSW high schools since then, but has also accepted and trained many EA Intro and Level 1 coaches who enrolled as ‘mature’ students.</p>
<p>Business and Related Skills and Experience</p>	<p>I have been running my own equestrian business, both in UK and since moving to Australia since the early 70s.</p> <p>I have been Consultant Coach to Northern Rivers Equestrian Centre for 25 years.</p> <p>I have mentored many riders and coaches during my career.</p>
<p>Other Relevant Information</p>	<p>I am applying to be included in this group because I am concerned about the future for our young coaches, and believe that I can contribute to improving this. I also believe that EA could and should be doing more to develop and support our existing coaches, and would love to use my experience, energy and commitment to advancing this.</p> <p>Given that insurance is now available to non-accredited coaches I believe that EA should be campaigning to encourage that the public only support current accredited coaches.</p> <p>I have a dream! For all accredited coaches to be</p> <ul style="list-style-type: none"> • linked nationally - State Committees re-instated to co-ordinate where appropriate, with a National Committee acting as liaison with EA Coaching office • more informed and involved with decisions made by EA that impact on their careers and their students/clients • given more support by EA for their on-going career development – it seems as though this is a pipe dream given our current financial state but we need to set the plan in place and – if necessary – fund it ourselves until EA can contribute. <p>Further – I believe that we should aim to present an annual National Coaching Convention, starting with annual State Conferences and then progressing – many</p>
